

WELCOME TO THE HUB!

Welcome to The Hub!

The Hub is what we call our office and therapy space.

We share this place with a factory that uses forklifts, so be careful and watch while walking down the driveway to our door!

There is a space at the front where we have a garage that you can use to relax on the hammock, or maybe jump on our mini trampoline.

Knock on the front door and come in

This is the downstairs area.
When you come in there is a desk to sign in
and sanitise your hands.

There are lots of activities you can do here.

You can do art and craft or a puzzle on the
table.

You can relax on the couch and read.

Or just have a break in the chill out
space under the stairs.

Careful when you stand up under
the stairs that you don't hit your
head!

This is the kitchen where you can do some cooking with our support staff.

What delicious things will you make? Muffins? Chicken curry? Banana bread?

Make sure you share it with other staff at The Hub!!

Remember to be careful in the kitchen, always be safe and follow the instructions of your support worker!

This is the toilet. It is just near the kitchen.

There is also a larger disabled toilet as well.

Remember to wash your hands!

This is the upstairs area.

There is a store room where we keep all our art and craft supplies.

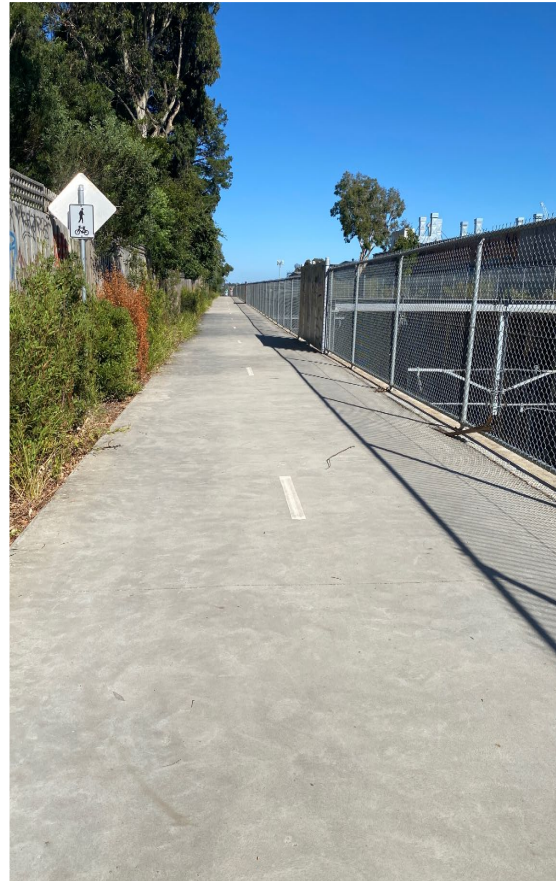

There is a meeting room where you can go with your support worker if it is getting too noisy downstairs.

There is an office used by a candle making business. That's where all the nice smells are coming from!

At the very end is the ANE office. That is where Collette, Nadia and Dallas do their administration.

Feel free to come and say hello! Make sure to knock first!

If you don't want to stay inside there are places you can walk to in local Blackburn.

You can cross over the railway bridge and walk along the train line. Listen and look - you might see a train going past!

Watch out for cyclists passing! Walk to the left.

The Hub is just a 10 minute walk to Blackburn station shops where you can get a snack or lunch.

You can choose from Subway, Pizza, fish and chips and a number of cafe's.

The Library is also located at Blackburn station shops.

Blackburn Lake Sanctuary is a 15 minute walk from the Hub.

You can walk around the lake and look at the wildlife.

There is also a play space with swings (including an all abilities swing).

SEE YOU AT THE HUB!
